

rising to the challenge

November 4, 2022

Dear Friends,

Welcome!

We are so pleased to welcome you to our RISING TO THE CHALLENGE benefit, and so thankful to be back together with you in-person after three long years.

Throughout the challenging years of the pandemic, Turning Point has continued to serve the community with distinction, as it has for 53 years. Located in Skokie and serving children and adults from throughout the Chicago metropolitan area, we follow a mission of providing solid support, when you need it most. Last year, Turning Point provided care for over 1,400 children and adults, approximately 90% of whom were low income. As always, we remain committed to providing expert, affordable, and compassionate care.

Rising to the Challenge.

Our theme for this evening is a hopeful expression of what we at Turning Point strive to do every day – rising to each new challenge and continuing to find innovative ways to best serve our community. We hope that you will join us in this spirit tonight as you learn more about Turning Point and contribute to our programs and services.

If you are new to Turning Point, I hope you'll enjoy the opportunity to become a part of this very special community. We are so glad you are here!

I hope that our work and mission will motivate you to support Turning Point financially, to share news of our good work, and to continue to learn about mental health and support every member of our community, beginning with yourselves and your loved ones.

Most of all, I hope that this message finds you safe and healthy. We are here, always, with solid support whenever you need us.

Sincerely,

Ann Fisher Raney, AM, LCSW
