turningpoint
solid support
when and where
you need it most

Dear Friends,

We are so pleased to welcome you to our RISING TO THE CHALLENGE benefit. This year marks our 54th in Skokie, serving children and adults from throughout the Chicago metropolitan area. Last year, Turning Point provided care for approximately 1,400 children and adults, 90% of whom were low income. As always, we remain committed to providing expert, affordable, and compassionate care.

Rising to the Challenge

Our theme for this evening is a hopeful expression of what we at Turning Point strive to do every day – rising to each new challenge and continuing to find innovative ways to best serve our community. We hope that you will join us in this spirit tonight as you learn more about Turning Point and contribute to our programs and services.

Honoring our community

This year, as we reflected on the exponential growth of Turning Point over the past decade, we decided to use the occasion of this event to shine the spotlight on you, the many members of our supportive community who have made possible our growing ability to serve and expand upon our services. We thank you and we honor you!

Among the many areas in which we have grown is within our mission statement! Our longtime pledge of providing solid support when you need it most has now expanded with our growth of service beyond our four walls. We now are able to expand that mission statement to providing “solid support, when and where you need it most.”

Welcome!

If you are new to Turning Point, I hope you'll enjoy the opportunity to become a part of this very special community. We are so glad you are here! I hope that our work and mission will motivate you to support Turning Point financially, to share news of our good work, and to continue to learn about mental health and support every member of our community, beginning with yourselves and your loved ones.

Most of all, I hope that this message finds you safe and healthy. We are here, always, with solid support whenever you need us.

Sincerely,

Ann Fisher Raney, LCSW
