Solid Support.
When and where
it's needed most.

“Turning Point
gave me solid
support at the
most fragile
time in my life.”

“They don't let
you down. They
really care.”

“Turning Point
has helped me
feel that I can
survive.”

“Turning Point
is my family and
that family gives
me support,
courage, and
hope.”

**In sponsoring this event, you are
supporting essential mental health
care for vulnerable families in need.**

Your support will provide expert, affordable, and
compassionate care or, as our mission statement
promises, solid support when and where it's needed
most.

For over 55 years, Turning Point Behavioral Health has
remained a trusted and award-winning center for
mental health care. Our clients include adults, teens,
and children beginning at age six. Approximately 94%
of our clients are low-income, coming to us from
throughout the Chicago metropolitan area.

Our Honoree

This year, our event will honor Ann Fisher Raney who
has served Turning Point Behavioral Health for 30
years and led the organization as CEO for 25 years.

As Ann prepares to embark
on her next adventure, we
will gather on June 12th to
celebrate her leadership
and enduring legacy at
Turning Point Behavioral
Health.
